HIKING AND BIKING TRAIL MAP

WELCOME

Welcome! This map illustrates many of the trails in Summit County accessible from Breckenridge. This area is an incredibly special place, offering a wide variety of experiences for all types of users. These trails are a rare resource, maintained for your enjoyment at great effort. Please — enjoy them as we do, but before you do, take a minute to consider your obligation as both a participant and guardian of this amazing experience. Your help caring for the trails will ensure that they remain a wonderful experience for all.

Please follow all signs, respect private property, stay on the trail, never litter, be courteous, pick up after your dog, and remember, while these routes represent one of life's great joys, you still use them at your own risk.
